

SCAV Proudly Presents The Animal Hall of Fame

Nominations for inductions into the Hall of Fame are being accepted in three categories:

- (1) **Hero.** This category honors animals who have saved or preserved human life.
- (2) **Companion.** This category recognizes animals who have provided a benefit to their human companions or their community.
- (3) **Professional.** This category salutes specially trained assistance animals.

Objectives of the Hall of Fame program are: (a) to honor the outstanding contributions animal companions make to human lives; (b) to heighten public awareness of the human/animal bond; and (3) to provide a vehicle for SCAV members to celebrate their patients' accomplishments.

Requirements

Nominees must be domestic animals who, through unselfish and courageous accomplishments, exemplify the affection, loyalty, security and value of the human-animal bond.

Each nomination for membership in the South Carolina Animal Hall of Fame is to be submitted by a SCAV member on an official application, with the signature of the animal's owner/steward.

The sponsoring veterinarian may include up to three additional letters of support from the public at large.

A description of why the animal should be considered for induction into the South Carolina Animal Hall of Fame must accompany the official application.

You may wish to explain how the animal exhibited special abilities, demonstrated unselfish and/or courageous accomplishments, exemplified qualities of affection, loyalty and companionship, or provided healthful benefits, confidence, or opportunities for exercise, socialization, or laughter. Ongoing and/or heroic actions may be considered. An animal may be nominated in only one category per year.
